Barclay Barrios. He proposes a process of " universalization " as an alternative.

They are, however, clearly over-represented in these two Latin countries. This has resulted in a substantial amount of scholarship dedicated to the sport, studies that examine questions of nationalism, violence, race, gender, identity, and politics. Stein analyzes the social effects of the game during its early years in Lima. Pastor, Robert A. They develop a reflexive conception of the self and its position in relation to others, and they learn to see themselves as others see .
