Lesley Choyce. If you are not on the Register and you wish to be included on it you must fill in form RFA.

This book--the masterpiece McNamar was writing at the time of his sudden death--is a timeless collection of wisdom on love, friendship, respect, individuality, and honesty from the man who has been a friend to generations of Americans. Make room on your shelf for his stories, and make his characters feel welcome, for they are people you know.

Read all about his life, and find out why Albert Einstein is known as the genius. The thematic pursuits usually deal with the human willingness to carry on in the face of an often hostile and baffling universe, where nothing is as it first appears and that is clearly evident in this collection.
